## Embroidered Rusty Textile Collage:

Combine embroidery, weathered bits of metal and rusted fabric to create a one of a kind textile collage. Learn 4 basic embroidery stitches (running, back, seed and the french knot) that will be used as decorative elements and also to attach a variety of items including metal washers, nails, stained cheesecloth, fabric strips, yarn and buttons to pre-rusted fabric. The shape, color and texture of these items, and the fabric's pattern will help guide you in the freestyle composition of your collage.

Each participant will receive an 8" square of pre-rusted fabric, a 6" wood embroidery hoop and 2 embroidery needles. Instructions for making your own rusted fabric will be provided and find out what the "Slow Stitch" movement is all about. All supplies are included but feel free to bring any small lightweight rusty metal bits and/or embroidery floss you may want to use in your work. Suitable for all levels, beginners and experienced alike. No previous embroidery experience is needed.
